PROFESSIONAL SUMMARY

Frontend Developer skilled in building responsive, user-friendly web interfaces with React.js, JavaScript, HTML5, and CSS3. Combines hands-on full-stack training with 3 years of leadership experience, bringing strong attention to detail, ownership, and a track record of translating requirements into clean, functional solutions. Passionate about crafting intuitive UIs and writing maintainable component-based code.

TECHNICAL SKILLS

Languages: JavaScript (ES6+), HTML5, CSS3, Python

Frontend: React.js (Hooks, Components, State Management), Bootstrap, Responsive Design

Backend: Node.js, Express.js, REST API integration

Databases: Structured query language (SQL)

Tools & Practices: Git & GitHub, Version Control

PROFESSIONAL EXPERIENCE

Kyungsung Precision Industry (KIA) — Production Management May 2021 – May 2024

- Led daily work allocation and task scheduling for a production team, improving workflow efficiency and on-time output through structured planning and prioritization — skills directly transferable to sprint planning and task management in agile engineering teams.
- Mentored and trained junior team members on standard operating procedures, strengthening documentation habits and knowledge-sharing practices.
- Coordinated with vendors and cross-functional teams to track materials and resolve assembly-line issues, developing strong
- Communication and stakeholder-management skills.
- Analyzed production and quality-tracking data to identify defects and process bottlenecks, applying root-cause analysis.
- Data-driven decision-making — the same analytical approach final works also.

EDUCATION

Bachelor of Commerce (Computer Applications) | Acharya Nagarjuna University | 82.03% | 2022 – Present

Intermediate in MPC | Sri sai kurupa junior college | 60.03% | 2020 – 2021

Diploma in Mechanical Engineering | PVKK Institute of Technology | 80.10% | 2016 - 2019

CERTIFICATIONS

Full Stack WebDevelopment | NxtWave | Feb 2025 – Present

Academy, project-based training covering HTML, CSS, JavaScript, React.js, Node.js, Express.js, Python, and SQL.

CORE STRENGTHS

- Analytical Thinking • Attention to Detail • Team Leadership • Cross-Functional Communication
- Continuous Learning
